

The Pre-Authorized Payment (authorized withdrawal) Plan helps you

- save time – there are fewer checks to write
- keep your premiums current even if you're on vacation or out of town
- save postage
- plan your budget

Here's how the plan works:

- You authorize a regularly scheduled payment to be made from your bank account. Proof of payment will appear on your bank statement
- Your authorization will remain in effect until you notify us or your bank to terminate the authorization

Please be sure to:

- **Sign your name**
- **Include a voided check or deposit slip**
