Electing Officers

Chapters hold an annual business meeting each February. It is during this meeting that new officers are elected and installed. Here are simple steps to elect and install officers:

Electing officers:

- The President and Secretary-Treasurer are elected at the annual business meeting in February
- The current President is the judge of the election
All chapter members are entitled to vote

**How to elect officers:**

- Form a Nominating Committee to identify and encourage qualified candidates to run for office
- Look for members who have demonstrated leadership abilities
- Ask the membership as a whole for nominations
- Distribute paper ballots to all members present at the election
- The Nominating Committee introduces the names of the candidates for each officer position, and the President asks if there are any additional nominations from the floor
  - If only one person is nominated for a position, the President should request members by acclamation to allow the Secretary-Treasurer to cast a unanimous vote for the position
  - If there is more than one nominee, the President should read all the nominees for the position
  - If only two candidates are nominated, the one with the majority of votes wins
  - If three or more candidates are running for one position, the one having the fewest votes after each ballot should be dropped; this process continues until two candidates remain
  - In case of a tie on the final vote, another ballot should be taken
  - If this ballot also results in a tie, then another method predetermined by the chapter should be used
- The Secretary-Treasurer should collect all ballots, count the votes, and report results to the membership

**Installing officers:**

- Officers can be installed during the Election of Officers meeting or at any regular or special meeting following the election
- Appointed officers’ terms begin upon appointment
- The President should appoint the Event Planner by March 1
- Any member of the chapter can be chosen by a majority vote of the chapter to act as the Installing Officer
- Any member elected to the leadership team who cannot attend the installation can be installed by proxy or at the next regular or special meeting

**How to install officers:**

- The President should turn the meeting over to the Installing Officer for the installation ceremony
- The Installing Officer asks the President to read the names of the leadership team
- As each officer’s name is read, she/he should rise and stand before the Installing Officer
- The Installing Officer asks “Do you, the newly elected officers, accept the office to which you have been elected/appointed, and do you agree to serve as such to the best of your knowledge and ability and to comply with all the requirements of your office as specified by the Society?” If the officers agree, then should answer “I do.”
The Installing Officer then states the following: “The officers of Royal Neighbors of America Chapter ______ for the ensuing term have been duly installed. I wish for them a successful administration and trust that you, one and all, will loyally assist them by your counsel and presence in this, their labor of love, and may all who meet with them here strive to work hand-in-hand for the good of our Society. I will now surrender the chair to the Past President.”

The Past President adjourns the meeting.

Running a Successful Chapter

Chapter Meetings

Holding regular meetings is an important part of keeping your chapter active and involved. Chapters should meet at least once a month for a meeting, event, or community service project. To earn funding, it is a requirement for chapters to hold at least one meeting each quarter.

Business Meetings:

- Consist of three or more chapter members
- Begin with the Pledge of Allegiance, prayer, or discussion of Royal Neighbors’ mission statement
- Share chapter financials

Annual business meeting:

- Get-together to elect chapter officers for the ensuing term
- Held in February
- Share chapter financials, membership, and contact information
- Set chapter meeting schedule
- Installation of Officers can take place at this time or at any regular or special meeting following the election

Special meeting:

- Gathering called by the President or requested by five or more members
- Call for meeting should fully state its objectives and no other business can be transacted
- Chapter leadership, with assistance from the Home Office, must notify every chapter member of the meeting and its objectives

Community Service Projects

Community service projects are an integral part of all chapters. They are defined as any act of community volunteer service performed by three or more members of your chapter in the name of Royal Neighbors. Chapters are encouraged to support projects that align with Royal Neighbors’ vision to protect women financially and empower them to improve their lives, families, and communities. Service project ideas as well as financial support are provided to help you make a larger impact.
Matching Funds Projects:

- Prior to committing to a fund-raiser, complete the Matching Funds Request online and await approval from the Home Office
  - To be eligible to request a matching funds grant, your chapter must reach $600 level funding for at least one quarter of the current year. First quarter matching funds eligibility is based on whether you reached $600 level funding during the fourth quarter of the previous year.
  - If you have met the funding requirement, your Member Engagement Specialist will provide you an access code that you will need to unlock your Matching Funds Request.
  - To access the Matching Funds Request, you will need to login to the online application system which you can get to through the Chapter Leader area of the Royal Neighbors’ website.
    - If you have logged in to apply for matching funds or any other grant in the past, use the same login and password to sign in.
    - If you do not remember your login credentials, please reach out to Katherine Woody at WoodyKT@royalneighbors.org or (309) 732-8275.
    - If you are logging into the system for the first time you will need to create a new account.
- Royal Neighbors will match up to a maximum of $1,000 of net funds raised by the chapter each year for approved projects.
- The fund-raiser(s) must be for the benefit of an individual, family, not-for-profit organization, service agency, institution, or community.
- Funds must be raised by the chapter at a chapter fund-raiser; co-sponsored projects are permitted.
- The Society will accept no financial responsibility for a matching funds project and will not match funds raised until the project has been approved and completed and the proper forms have been sent to the Home Office.
- Matching funds projects count as a community service project, which helps the chapter work toward earning funding; be sure to include this project on your Quarterly Report.
- Gain support and volunteers for your project from your family and friends by creating a Facebook event on your Chapter’s Facebook page.
- To receive funding:
  - Once your project is finished, complete the Matching Funds Report online.
  - Include a check from the chapter checking account (payable to Royal Neighbors of America) for the net project funds raised. Along with your check, please include a note with your chapter number and state that the check is for your matching funds project.
  - Chapter funds cannot be donated to increase the match amount.
  - The Home Office will send a check made payable to the project recipient to the chapter leader who completed the report online.
The Project Library:
A new online resource for chapter leaders and members offers proven ideas for community service projects. This library will grow over time as members share their project ideas. These project guidelines describe the simple steps that can create a community service project.

While some project ideas may be designated for specific locations, most are designed to be general so that members in any state can use them.

The online Project Library can be found on the Royal Neighbors’ website www.royalneighbors.org. Click on the tab labeled “More Than Insurance” and then the “Project Library” section. We encourage chapter leaders to contribute projects that they have completed and that have turned out well.

Events
Events provide an opportunity for chapter members to celebrate, educate, bond, and recruit new members. Chapter events are defined as a social gathering or themed activity planned and hosted by the chapter to which all members are invited.

Create an Event on your Chapter’s Facebook Page

- Once the event has been created, invite your Facebook friends to attend.
- Share the event to your profile and encourage other chapter members to do the same.

Chapter Funding and Incentives

Quarterly Funding Levels

The volunteer hours requirements are:

$600/Q – 1 chapter meeting and 150 volunteer hours per quarter
$400/Q – 1 chapter meeting and 120 volunteer hours per quarter
$200/Q – 1 chapter meeting and 60 volunteer hours per quarter

It is no longer a requirement to view webinars to earn your chapter’s quarterly funding. We will continue to post webinars throughout the year that will help to increase your chapter’s effectiveness and we strongly suggest you watch them, but they are not required. We will direct you to new webinars that are posted on our website via the Chapter Leaders Facebook Group.

All volunteer hours and chapter meetings must be recorded on the Quarterly Report through the online reporting tool to be considered for funding. In addition, as a member of the American Fraternal Alliance, Royal Neighbors reports these volunteer hours to the Alliance. Please use care to report your hours accurately, and reach out to your Member Engagement Specialist if you have questions about completing your report.

All funding is deposited directly to the chapter’s account via Electronic Funds Transfer. It is important that you notify your Member Engagement Specialist of any bank account changes.
Chapter Leadership Planning Guide

Chapter Volunteer Hours
In 2016, we transitioned to an hours-based funding formula for quarterly chapter funding. Advantages to this method include greater flexibility, convenience, and variety of activities.

a. Chapters can opt to hold larger volunteer events with more people, and potentially reach all the required hours from one event.

b. Chapter leaders can count volunteer hours of non-member volunteers who participate in chapter projects. This promotes inviting new people to experience serving the community through the chapter.
   - Chapter Leaders can only count non-member volunteer hours if it is a project the chapter is hosting. If a chapter is participating or volunteering for a project/event that is not hosted by the chapter, the chapter can then only count the hours of their members who participated.

Individual Member Volunteer Hours

a. Chapter members may report some of their individual volunteer hours as a way to meet quarterly funding requirements. Specific guidelines state which kinds of volunteer activities can be reported to count for chapter funding requirements. Please do not count things like taking neighbors or family members to the doctor or helping them to run errands. We are looking for volunteerism that has a broad community impact.

b. Chapter members can report hours they contribute to the following types of volunteer activities:
   - Educational support: helping at schools, reading programs, tutoring, etc.
   - Hunger and homelessness relief: food pantry, meal sites, clothing collections, etc.
   - Youth related: mentoring programs, youth shelters, etc.
   - Health related: hospice, driving veterans to appointments, cancer support groups, etc.
   - Civic activities: library volunteerism, police and fire departments, animal shelters, etc.

c. There are no requirements for members to report their individual hours. It is only an option to help chapters reach funding goals. If you are reporting individual hours to help reach your quarterly funding goal, the majority of your hours must be chapter hours.

d. Chapter Leaders must report these individual hours on behalf of their members through the online reporting tool. Instructions are posted on the website.

Chapter Incentives
Chapter incentives are used to reward chapters that record the most volunteer hours for the year and to encourage chapters to utilize our programs to the fullest. The quarterly contest will be awarded after each quarter ends. The annual contest will total the hours of four quarters (ex: Q4 of 2016 and Q1-Q3 of 2017), and award the winners at the end of the four quarters (ex: Q4 of 2017). Chapters may use the contest winnings to complete additional community service projects, make a grant to a non-profit or charitable cause, or to buy Royal Neighbors apparel.
Chapter Leadership Planning Guide

a. Quarterly Contests:
   - Contests will be announced throughout the year for each quarter. The announcement will be made on the Chapter Leaders Facebook group.

b. Annual Contest:
   - Top 10 chapters in volunteer hours win $1,000 each
   - Next 20 chapters in volunteer hours win $500 each
   - Next 30 chapters in volunteer hours win $250 each

Promoting Royal Neighbors and Your Chapter

Social Media
Royal Neighbors recognizes the benefits of utilizing social media to help chapters interact with members, share information, and invite members to events. Upon request, Royal Neighbors will provide each of its chapters a Facebook page. In order to manage and control information about the Royal Neighbors identity and activities, chapters and individual chapter members may not create or use any other social media outlets to discuss Royal Neighbors or any of its activities, including, but not limited to, personal Facebook, Pinterest, Twitter accounts, etc.

To increase engagement with your chapter members and attract new members, it is recommended that you:

- Generate at least 25 “likes” in the first 3 months
- Post (or repost from Royal Neighbors Facebook page) once per month
- Post at least two events each quarter

Examples of appropriate posts include:

- Chapter leadership introductions (name, role, short biography, etc.); make sure you get permission before adding their names
- Meeting announcements
- Creating an event and posting it to your chapter page
- Chapter activities and how to get involved
- Volunteer recognition
- New member recruiting

Royal Neighbors reserves the right to monitor and control content on the chapter Facebook page. All postings must comply with applicable copyright and intellectual property laws and be either original material from the person posting the material, or have the permission of the author or owner of the material before posting.

Signage
Displaying Royal Neighbors signage at your events is a great way to build awareness for Royal Neighbors and your chapter. Each chapter should have received laminated signage for their activities. If your chapter currently has old logoed signage or wishes to order additional signs, please contact your Member Engagement Specialist.

Membership
As a member of Royal Neighbors, you are a member of a fraternal benefit society. Fraternal benefit societies are membership-based organizations that are centered on three great traditions. First, individuals voluntarily join together based upon a common bond. Second, they organize themselves with their fellow members through a network of local organizations called chapters. And, third, there is a strong commitment to mutual support of the members and service to communities.

Types of Membership
Royal Neighbors of America offers two types of membership: beneficial and general.

Beneficial members: Beneficial membership is obtained by applying for membership and purchasing a Royal Neighbors insurance or annuity product. There is no additional membership fee.

General members: General members are 16 years or older who apply for membership and pay an annual membership fee of $20. Anyone holding a general membership who has not reached the age of 16 is considered a youth general member.

As a member of a fraternal benefit society, you have access to many money-saving member benefits. Currently, Royal Neighbors’ benefits include discounts on prescription drugs, dental and vision care, hearing services, labs and imaging services, preventative health screenings, legal services, and retail benefits.
