Electing Officers

Chapters hold an annual business meeting each February. It is during this meeting that new officers are elected and installed. Here are simple steps to elect and install officers:

Electing officers:

- The President and Secretary-Treasurer are elected at the annual business meeting in February
- The current President is the judge of the election
- All chapter members in good standing are entitled to vote
How to elect officers:

- It is recommended to form a Nominating Committee to identify and encourage qualified candidates to run for office
- Look for members who have demonstrated leadership abilities
- Ask the membership as a whole for nominations
- Distribute paper ballots to all members present at the election
- The Nominating Committee introduces the names of the candidates for each officer position and the President asks if there are any additional nominations from the floor
  - If only one person is nominated for a position, the President should request members by acclamation to allow the Secretary-Treasurer to cast a unanimous vote for the position
  - If there is more than one nominee, the President should read all the nominees for the position
  - If only two candidates are nominated, the one with the majority of votes wins
  - If three or more candidates are running for one position, the one having the fewest votes after each ballot should be dropped; this process continues until two candidates remain
    - In case of a tie on the final vote, another ballot should be taken
    - If this ballot also results in a tie, then another method predetermined by the chapter should be used
- The Secretary-Treasurer should collect all ballots, count the votes and report results to the membership

Installing officers:

- Officers can be installed during the Election of Officers meeting or at any regular or special meeting following the election
- Appointed officers’ terms begin upon appointment
- Any member of the chapter can be chosen by a majority vote of the chapter to act as the Installing Officer
- Any member elected to the leadership team who cannot attend the installation can be installed by proxy or at the next regular or special meeting

How to install officers:

- The President should turn the meeting over to the Installing Officer for the installation ceremony
- The Installing Officer asks the President to read the names of the leadership team
- As each officer’s name is read, she/he should rise and stand before the Installing Officer
- The Installing Officer asks “Do you, the newly elected officers, accept the office to which you have been elected/appointed and do you agree to serve as such to the best of your knowledge and ability and to comply with all the requirements of your office as specified by the Society?” If the officers agree, they should answer “I do.”
- The Installing Officer then states the following: “The officers of Royal Neighbors of America Chapter _____ for the ensuing term have been duly installed. I wish for them a successful administration and trust that you, one and all, will loyally assist them by your counsel and
presence in this, their labor of love and may all who meet with them here strive to work hand-in-hand for the good of our Society. I will now surrender the chair to the Past President.”

• The Past President adjourns the meeting

Running a Successful Chapter

Chapter Meetings

Holding regular meetings is an important part of keeping your chapter active and involved. Chapters should meet at least once a month for a meeting, event or community service project. To earn funding, it is a requirement for chapters to hold at least one meeting each quarter.

Business Meetings:

• Consist of two or more chapter members
• Begin with the Pledge of Allegiance, prayer or discussion of Royal Neighbors’ mission statement
• Share chapter financials

Annual business meeting:

• Get-together to elect chapter officers for the ensuing term
• Held in February
• Share chapter financials, membership and contact information
• Set chapter meeting schedule
• Installation of Officers can take place at this time or at any regular or special meeting following the election

Special meeting:

• Gathering called by the President or requested by five or more members
• Call for meeting should fully state its objectives and no other business can be transacted
• Chapter leadership, with assistance from the Home Office, must notify every chapter member of the meeting and its objectives

Community Service Projects

Community service projects are an integral part of all chapters. They are defined as any act of community volunteer service performed by two or more members of your chapter in the name of Royal Neighbors. Chapters are encouraged to support projects that align with Royal Neighbors’ vision to protect women financially and empower them to improve their lives, families and communities. Service project ideas as well as financial support are provided to help you make a larger impact.
Matching Funds Projects:

- Prior to committing to a fund-raiser, complete a Matching Funds request online and await approval from the Home Office.
  - To be eligible to request a matching funds grant, your chapter must reach $700 level funding for at least one quarter of the current year. First quarter matching funds eligibility is based on whether you reached $700 level funding during the fourth quarter of the previous year.
  - If you have met the funding requirement, your Member Engagement Specialist will provide you an access code that you will need to unlock your Matching Funds Request.
  - To access the Matching Funds Request, you will need to log in to the online application system which you can get to through the Chapter Leader area of the Royal Neighbors website.
    - If you have logged in to apply for matching funds or any other grant in the past, use the same login and password to sign in.
    - If you do not remember your login credentials, please reach out to a Philanthropy team member at philanthropy@royalneighbors.org or at (309) 732-8235.
    - If you are logging into the system for the first time you will need to create a new account (see Page 15).
- Royal Neighbors will match up to a maximum of $1,000 of net funds raised by the chapter each year for approved projects.
- The fund-raiser(s) must be for the benefit of a not-for-profit organization with a tax ID number.
- Funds must be raised by the chapter at a chapter fund-raiser; co-sponsored projects are permitted.
- The Society will accept no financial responsibility for a matching funds project and will not match funds raised until the proper form has been sent to the Home Office.
- Matching funds projects count as a community service project, which helps the chapter work toward earning funding; be sure to include this project on your online report.
- To receive funding:
  - Once your project is finished, complete the Matching Funds Report online.
  - Include a check from the chapter checking account (payable to Royal Neighbors of America) for the net project funds raised. Along with your check, please include a note with your chapter number and state that the check is for your matching funds project.
  - Chapter funds cannot be donated to increase the match amount.
  - The Home Office will send a check made payable to the project recipient directly to the Chapter’s selected non-profit
### Event Planning Tips:

Every successful project/event starts with good planning and, of course, good people willing to help others. We hope you find this checklist helpful.

| Choose a Committee | • Designate a project leader, who in turn will select a group of people who can help recruit volunteers.  
|                    | • Determine who will be the main project coordinator and contact person. |
| Choose a Project/Event | • Chapters are encouraged to host events/community service projects that align with Royal Neighbors’ vision to protect women financially and empower them to improve their lives, families and communities.  
|                    | • Determine if the chapter should partner with another group/chapter.  
|                    | • Choose location, date(s) and time(s). |
| Spread the Word | • Contact the media in advance and distribute press releases.  
|                    | • Post flyers and signs on church bulletin boards, community boards and in local businesses.  
|                    | • Invite local VIPs to help: the mayor or local, state or federal legislators.  
|                    | • Send postcards to members, friends and family.  
|                    | • Recruit volunteers. |
| Have Fun | • After careful planning, your project is sure to be a success.  
|                    | • Enjoy the day and take pride in your accomplishments.  
|                    | • It is leaders like you who make the world a better place.  
|                    | • Recognize and thank your volunteers. |
| Report Your Success | • Volunteer hours generated by the chapter are required to be reported quarterly. Reports are due five days after the end of the quarter.  
|                    | • Calculate the time that each volunteer spent planning, promoting, engaging in the event and cleaning up (see volunteer guideline, page 8). |

*If your chapter hosts an event at a venue that requires you provide liability insurance, simply contact your Member Engagement Specialist. Be prepared to provide them with the purpose, location, date and time of your event. Your MES will email you a Certificate of Insurance within 2-3 days of your request.*

All volunteer hours and chapter meetings must be recorded on the Quarterly Report through the [online reporting tool](#) to be considered for funding ([reporting manual available online](#)). Your chapter must submit a report of volunteer activity within 5 days after the quarter. Please report your hours accurately and reach out to your Member Engagement Specialist if you have questions about completing your report.

All funding is deposited directly to the chapter’s account via Electronic Funds Transfer. It is important that you notify your Member Engagement Specialist of any bank account changes. Or, if you need forms to change officers and signors at the bank.

Annual Incentives

Chapter incentive is used to reward chapters that record the most volunteer hours for the year and to encourage chapters to utilize our programs to the fullest. Chapters may use the contest winnings to complete additional community service projects or to make a grant to a non-profit or charitable cause.

a. Quarterly Contests:
   - Contests will be announced throughout the year for each quarter. The announcement will be made on the Chapter Leaders Facebook group.

b. Amounts Awarded:
   - Top 10 chapters in volunteer hours win $1,000 each
   - Next 20 chapters in volunteer hours win $500 each
   - Next 30 chapters in volunteer hours win $250 each

First, individuals voluntarily join together based upon a common bond. Second, they organize themselves with their fellow members through a network of local organizations called chapters. And, third, there is a strong commitment to mutual support of the members and service to communities.

Types of Membership
Royal Neighbors of America offers two types of membership: beneficial and general.

**Beneficial members:** Beneficial members are insured by Royal Neighbors or are the owners of an annuity or settlement contract with Royal Neighbors, who is not currently on Extended Term Insurance. There is no additional membership fee.
