Dear Chapter Leader,

You are now part of a society of mission-driven members making changing their communities. Founded in 1895 by nine strong women, Royal Neighbors has continued to strive to encourage individuals to be good neighbors to those in their community through volunteerism.

Thank you for becoming a Chapter Leader – this is a relationship we are excited to nurture and help grow. Members like you are making a BIG difference!

Community Chapters, like the one you have started, help bring our mission and vision to life. As a Community Chapter, there are numerous ways for Royal Neighbors to support your chapter as you work to make a difference. Some programs available to chapters include:

- Quarterly Funding
- Chapter Matching Funds
- Difference Making Fund
- Member Savings
- And much more

We love to learn about all the good you are doing in your community, so please share your original photos, videos and materials with us along they way. Utilize your network and connect with chapters near and far through our Facebook Chapter Leaders group page.

We are excited to see the results of all the good work your chapter will do in the community!

Sincerely,

The Philanthropy Department

Encl.

P.S. As you begin making an impact on your community, please remember, *we are here to help you*. Reach out to the Philanthropy team with your questions or concerns at (800) 627-4762.
