Programs for Your Community

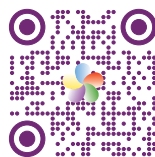

Community Chapters

Our chapters cultivate community connections and engage in local volunteer activities. Members who have a desire to give back through volunteerism can connect with a chapter in their area or start their own.

Difference Maker Fund

All members can apply for a Difference Maker Fund grant once a year to help offset the costs of their volunteer project and make a positive impact in their community.

Nation of NeighborsSM

Through our signature women's empowerment program, Nation of NeighborsSM, we empower women by recognizing and supporting their work through a nonprofit, business, or program. All members can nominate influential leaders who are doing extraordinary things to impact the lives of women and girls in their community.

Member and Philanthropy Programs are provided at the discretion of Royal Neighbors of America, are not available in all states, and are subject to change without notice. They are not part of any insurance or annuity contract and are not guaranteed. Insurance or annuity products should not be purchased for eligibility or maintenance of nonguaranteed Member Programs. These products should only be purchased if they meet the financial needs of the applicant. Member Programs are available at no extra cost. Approval is not guaranteed.

INSURANCE WITH A *Difference*SM

Royal Neighbors of America[®] is a membership organization that blends life insurance coverage with the joy of giving back. We call this *Insurance with a DifferenceSM*.

In 1895, nine founding women created a membership community. They were one of the first to make life insurance accessible to women. Today, we continue our drive to support women and their local communities through volunteerism and goodwill.

Our chapters cultivate community connections and engage in local volunteer activities.
